rights are entitled to exercise their pre-emptive rights in the same order after the shareholders. If several pre-emptive shareholders exercise their pre-emptive rights in such a manner that the total number of shares to be subscribed for under their pre-emptive rights exceeds the total number of pre-emptive shares (to be marketed), they are entitled to acquire the number of shares affected by the pre-emptive right in the proportion to which their share in the share capital of the Company relates to each other at the time of the decision to increase capital.

- 6.3 The Board of Directors shall, within eight (8) days from the date of the resolution of the General Meeting or the Board of Directors deciding to increase the share capital with a cash contribution, notify the shareholders of the Company in writing about the option and manner of exercising the pre-emptive right, such as the nominal value and issue value of the transferable shares and the start and end dates of the period open for enforcement (at least fifteen (15) days). Shareholders may declare in a written declaration sent to the Board of Directors during the above period whether they wish to exercise their pre-emptive rights. If a shareholder does not make a declaration within that period, it shall be deemed that the shareholder concerned does not wish to exercise their pre-emptive right. The pre-emptive rights specified in this section shall apply mutatis mutandis in the case that the Company issues convertible bonds or bonds providing subscription rights.
